even though he describes his musical skills as ‘modest’, Gary enjoys playing piano, and singing with the Shuswap Men’s Chorus.

SCF Staff -
Paulette Brown, Office Administrator
Emily Schultz, Administrative Assistant

President's Message

2016 has been an interesting year for Shuswap Foundation. In previous years, we have seen remarkable growth in our funds as a result of strong markets. This fiscal year we did achieve a 5.19% return, despite the few months of negative downturns in the market. At the time of writing, our investment portfolio is valued at \$8,008,968, up from \$7,635,488 in June of 2015, a gain of \$373,480. As of May 31, we have 141 funds in our capital fund and an estimated \$370,000 in grants will be paid out this year.

This year, the Board took advantage of two bequests the Foundation received to create a leveraging program to increase the number of discretionary funds, providing our grants committee with more flexible granting opportunities. Our Community Building-Matching Funds program has generated eight new funds and matched a total of \$45,588.

SCF assumed the administration of the District of Sicamous Grants-in-Aid program during the year and completed the first adjudication of grant requests in late 2015.

2017 will mark Canada's Sesquicentennial. SCF is participating in the Community Fund for Canada's 150th; in collaboration with Community Foundations of Canada, and support from the Government of Canada and national philanthropic leaders. The purpose of the grant is to encourage participation in community initiatives, activities and events, and we encourage small community groups planning events for 150th to call our office to inquire about this grant opportunity.

As the Foundation takes on new initiatives to increase our community awareness and provide support to the Shuswap communities we serve, the office has seen an increase in public contacts through visitors and our website. A new challenge for Paulette and Tara was to bring our website up to date to provide our clients with current information and a more efficient way to apply for grants. The new website is a work of art and makes navigating around our website very easy! Please take the time to have a look at it! Special thanks to our web designer, Erica Lahoda.

We are pleased to welcome Kathryn Vennard as director to our board in this past year; she is already making a valuable contribution to the Foundation. Due to the heavy demands on her time, Director Lana Fitt resigned from the Board, but still offers her help if needed. We are in search of a replacement and hope to have the position filled soon.

Information about participating in any of our programs and initiatives can be found at www.shuswfoundation.ca or call the office. You are also welcome to stop by the office for a visit.

Kyllo Family Endowment

Private Business, Public Service and Philanthropy

Sicamous brothers Greg and Todd Kyllo and their families established the “Kyllo Family Endowment Fund” in March 2015 to support non-profit efforts in the Sicamous area. When Foundation Director Rod Bailey laid out the benefits, they immediately recognized that their own desire to leave a legacy and support the great needs of their community could be realized with the establishment of such a fund. To quote Greg, “I like the principles of the Foundation and feel it is well organized.”

Todd and Greg moved to Sicamous with their family in 1978, when their dad gained employment working on the Revelstoke Dam. Both graduated from Eagle River High School. Greg and Georgina, and Todd and Jolayna started working in the Sicamous-based family houseboat rental business, Twin Anchors, in 1987 and 1994 respectively. In 1994 the manufacturing division was established, designing and building house boats, and in 2005, another division, Twin Anchors Structures, was incorporated, focused on the construction of relocatable office, camp, and modular structures largely deployed in the oil and gas, mining, forestry and construction industries.

Greg has served on Sicamous Council and as Deputy Mayor, and in May of 2013 he was elected as the Member of the BC Legislative Assembly for Shuswap. The decision to enter provincial politics was not an easy one because of the changes it meant for the family, especially the increased time away from home, but Greg acknowledges, “It is a great privilege to serve and help our province.”

Greg and Georgina have four daughters and are now enchanted by four granddaughters. Greg enjoys snowboarding, motorcycling and snowmobiling while Georgina’s passion is Yoga. Georgina and three of her daughters opened a Yoga Studio in Sicamous in 2013 -- remarking cheekily that she needed the Zen of yoga to help balance out the effects of politics on the family. One of the highlights of Georgina’s yoga journey included leading Premier Clark and the BC Government Caucus in an outdoor yoga session last year.

Todd attended Mount Royal College in Calgary to study business administration and human resources and met his wife Jolayna during this time. They moved to Sicamous in 1994 to help run the Twin Anchors business and over the years Todd has been involved in all aspects of the houseboat vacation and manufacturing divisions. Todd has been on various boards and committees and is now a councillor for the District of Sicamous. Jolayna has always worked in the business, but took time off to raise their three daughters when they were young, and now runs the gift shop for Twin Anchors Houseboat Vacations.

Todd and Jolayna and their daughters enjoy skiing at Silver Star, boating on Shuswap Lake as well as softball, dance, volleyball, biking, flying, snowshoeing and snowmobiling. They consider themselves very fortunate to be able to enjoy all the amenities that the Shuswap has to offer.

Through their business experience and public service both locally and provincially, the Kyllo family understands the interconnection of business and community. They also recognize overall community needs to maintain vibrancy and quality of life. With the establishment of the Kyllo Family Endowment Fund this family lives the description of philanthropy used by the Community Foundations of Canada: “Your community makes you and you make your community.”

Aileen Gentles Memorial Endowment

Aileen Gentles, née Barker, was born in Bristol, England, on May 2, 1936. She obtained an Hon-ours degree in History at the University of London, then won a Canada Council scholarship to attend the University of British Columbia, where she completed her Master's Degree. After graduation, she joined a BC theatrical touring group, travelling and performing Shakespeare throughout BC for a year. Concurrently she wrote two radio plays for CBC.

During this period she met Michael Gentles and in 1962 they married. Two children were born: Cynthia in 1964 and Kate in 1966. Mike, also a British expat, had joined the Canadian Army and the family became nomads for the next 29 years, including three postings in Germany as well as to several areas of Canada. Aileen gave herself wholeheartedly to her new role as an army wife and mother, actively participating in all aspects of being the wife of an army officer while also writing skits and plays for the local community, and schools her daughters attended. A great community booster, she was a wonderful motivator, enabling people to achieve things they didn't know they could with her endless encouragement. Singing in a choir was always a must for both Mike & Aileen; they sang in several in Canada and three different choirs during their postings to Germany. Aileen also lectured in History at several universities whenever the opportunity arose.

They knew they wanted to build their dream retirement home near water and found the perfect spot in 1991 beside the Eagle River in Sicamous. Aileen became a driving, creative artistic force in the Shuswap. She was a key member of the Monashee Mountain Arts Society, which fostered the performing arts in the region, and the founder of the Monashee Chamber Choir and the Monashee Chamber Orchestra. She was also instrumental in the creation of the Cambie Farm Theatre.

Endlessly encouraging, vibrant, enthusiastic, perpetually in motion, Aileen was enormously talented. Active in music and theatre her entire life, her list of accomplishments includes writing 17 poems, three children's plays, 58 short stories, 18 musical compositions, two radio plays for CBC, and directing five choirs and five plays, including an outdoor production of 'A Mid-Summer Night's Dream'. She also wrote and directed two musicals, an Oratorio, and three farm theatre plays.

One of her most spectacular achievements was the creation of a two and half hour musical theatre history of the city of Wainwright, Alberta in honour of Alberta's 75 Provincial Anniversary. She did it all: fundraising, getting sponsors, gathering together a cast of 300, organizing volunteers, writing, directing - everything. It was a rousing success and perfectly demonstrates Aileen's indomitable personality. She died on July 30, 2012.

When it was decided to dissolve the Monashee Mountain Arts Society, president Gord Hynek suggested that the funds remaining in the society be used to establish an endowment fund with Shuswap Community Foundation in honour of Aileen. Upon learning of the proposed fund Karla Krens of the Sicamous Theatrical Group asked if they could be included. Together with a contribution from Mike, the Aileen Gentles Memorial Endowment Fund was created in May, 2015.

Income from the fund will be used to award grants to charitable organizations which support the arts in the Shuswap, or to individuals to assist with training and education in the arts, as well as to composers and playwrights for original works, provided such individuals are properly sponsored by charitable organizations.

SHUSWAP MUSIC FESTIVAL - 16TH ANNUAL SHUSWAP MUSIC FESTIVAL

In 2016, the Shuswap Music Festival Society received a grant in the amount of \$1,500 to help fund the cost of venues and piano moving and tuning for the 16th Annual Shuswap Music Festival. Over 500 musical entrants performed at this year's Festival and an estimated \$4,795 in grants and awards were given out.

This grant was made possible by the Geoff and Judith Benson Family Endowment Fund.

SHUSWAP HUT AND TRAIL ALLIANCE SOCIETY - EVELYN FALLS TRAIL PROJECT

In 2015, The Shuswap Hut and Trail Alliance received a \$2,500 grant from SCF to prepare a new 1.5 KM nature trail above Anglemont to ensure protection of the forest and creek environment.

The objective was to complete the installation of three trailhead filter stiles, five directional signs, a short switchback staircase, and two rock armored tread sections.

This grant was made possible by the Gerry & Rita Chu Endowment, Robin Jackson Environmental Endowment and the SASCU Community Funds.

CANADIAN RED CROSS - H.E.L.P. DEPOT SALMON ARM PROJECT

In 2014, the Salmon Arm HELP Depot (Canadian Red Cross) requested funds to do the much needed repairs to the inside and outside of the depot. Volunteer response was enthusiastic and generous, so not all of the funds were used in this project. A secondary grant request was made to use the remaining funds to purchase medical equipment; 20 folding walkers and 15 four-wheeled walkers were purchased. It is estimated that 140 clients will benefit from this grant.

Project Report Quote: *"The health care professionals who refer all our clients are well aware of how much equipment is in stock so they usually limit their referrals to low income clients- this is why our data (Canadian Red Cross) shows that roughly 47% of Salmon Arm residents are low income, making less than \$20,000 per year."*

This grant was made possible by the Earl and Muriel MacKenzie Family Endowment, Higgins Family Endowment, Cummings/Kassa Endowment, and Browne Johnson Legacy Funds.

Catherine and Joseph Shay

Foundation Founders

Catherine Shay, *Kay* to her friends, was a quiet woman who truly loved the Shuswap. She was born in 1923 in Cologne, Germany to Anna Louise and William Tyson (her father was with the British Army of Occupation following World War I). Kay's family immigrated to Canada in 1930, settling at Herschel, Saskatchewan. It was here that she met her husband, Joe.

Joe and Kay moved to Salmon Arm in the late 1940s, settling on a small holding in the Ranchero area. Joe operated a painting and decorating business until 1969.

He passed in 1973, and Kay moved into an apartment in town. Kay did not travel much: she was content with life in the Shuswap.

Kay was also a big fan of the Shuswap Community Foundation. She made a contribution to the Founders Fund in memory of husband Joe, and when she died in September 2001, Kay left a very substantial testamentary gift. Generations to come will benefit from Kay Shay's manifestation of her love for, and her support for, our community.

In May of 2016, the Catherine and Joseph Memorial Endowment Fund was created. Income from the Fund will, in accordance with the provisions of Mrs. Shay's will, be disbursed annually, at the discretion of the Directors of the Foundation, to award one or more grants in the name of the Fund to qualified charitable organizations operating in the Shuswap area.

SCF Board recently recognized the legacy of Catherine by establishing the Catherine and Joseph Shay Memorial Endowment Fund.

Donations to this Fund are welcome any time.

Albert and Muriel Spencley

Albert Harry Spencley passed away peacefully May 12, 2014 at the age of 93 years. Born in Burleigh Falls, Ontario on April 26, 1921. He worked as a contractor, the first 20 years in the Oil Industry, followed by general contract work in many locations of Canada. Albert was also a war veteran working with construction of Army Barracks in Ontario.

Muriel was born in Horsham, Sussex, England on August 31, 1922. Early years were not easy for Muriel, and ailing health required her to move into a care facility in March of 2010. Muriel passed away December 28, 2010 at the age of 88 years. She is well remembered for her caring manner, always smiling, her dedication with her Christianity, and willingness to assist others.

Albert met the love of his life, Muriel, in Ontario. With a planned trip to visit family in Victoria they stopped in Salmon Arm, enjoying the scenery, they purchased a home. They lived in Salmon Arm for 20 years before moving to Enderby. Albert is well remembered for his dedication with Muriel and spending countless hours assisting her during her final months in a care home in Armstrong.

Giving back to the community was important for Albert and Muriel, years of dedication with St. John's Anglican Church in Salmon Arm, and then the Seventh Day Church, as well as both were members of Shuswap Singers. Albert was a very independent gentleman, his home was his castle; He was determined to continue living at home with nobody fussing over him.

Doreen McCaig

Doreen was born in Vegreville, AB on October 7, 1935. The family later moved to Grimshaw. She married Bruce McCaig in 1954 and they relocated from Calgary to Salmon Arm in 1958. She first worked at the Bank of Commerce prior to opening her flower shop, the House of Flowers, in 1974.

Doreen gained great respect for her artistic ability with flowers and for her prowess and love of baking. Her pies, cakes and bread earned her many awards at the Fall Fair, where she convened the baking section for many years.

She loved hosting dinner parties, both casual evenings with friends and extravagant dinners complete with hand written menus and fabulous table settings. Of course the evening would not have been complete without suitable beverages. A very few lucky brides also had their wedding cakes prepared by Doreen.

She was an avid reader and very proud of her skills as a wordsmith. She was a well-rounded reader with wide ranging interests. Her full size, unabridged dictionary held pride of place in her living room. Her extensive library brought her a great deal of satisfaction.

A love of animals was Doreen's trademark. She was especially fond of marmalade cats but no matter the colour any stray cat received her love, a home and veterinary care. Doreen had a sense of humour like no other and she always said if you couldn't laugh, especially at yourself, there was no use in living. Her idea of humour closely paralleled that of Maxine, her favourite cartoon character. This attribute stood her in good stead when facing the challenges that life threw at her.

Community Building - Matching Funds Program

During our Annual Community Meeting last October, SCF announced the Community Building-Matching Funds Program. This program has received a tremendous response from donors over the past year. You will note on page 3 of this Report, we have eight new funds established with a total of \$45,588 in funds matched. As these Community Building funds grow so does the ability of SCF to provide grants to a wide range of needs in our Shuswap communities.

In early 2016 we received a bequest from the Doreen McCaig estate and in her memory SCF created the Doreen McCaig Memorial Fund. The Deed of Gift provides another \$50,000 to our Matching Funds program. With these added funds to the program and the great donor response, SCF Board has extended the program to December 31, 2016.

To learn more about our Community Building - Matching Funds program please see our website at shuswapfoundation.ca

DONATE TODAY!

Philanthropy doesn't come in just one shade or size. People worldwide donate what money and time they can to further the well-being and creative endeavours of others.

Through their generous donations, the marginalized are helped, our cultural life is vibrant, scholarships and bursaries build productive students and universities, and hospitals are better equipped.

Your decision to donate is the first step in your philanthropy journey.

SHUSWAP MUSIC FESTIVAL - PROJECT: 16TH ANNUAL SHUSWAP MUSIC FESTIVAL

In 2016 the Shuswap Music Festival Society received a grant in the amount of \$1,500 to help fund the cost of venues, and piano moving and tuning for the 16th Annual Shuswap Music Festival.

Over 500 musical entrants performed at this year's Festival and an estimated \$4,795 in grants and awards were given out.

This grant was made possible by the Geoff and Judith Benson Family Endowment Fund.

SHUSWAP'S VitalSigns®

taking the pulse of our community...

As part of our 2014 Vital Signs project, the SCF community survey resulted in a low grade in the issue area of the “Gap between Rich and Poor”. To facilitate a conversation with members of the Shuswap communities, SCF is encouraging non-profit groups to develop a project which works towards improving the current status of our residents faced with economic challenges. This is an opportunity for non-profit societies and registered charities to collaborate to form partnerships to achieve change.

The Foundation is requesting an opportunity to meet with your board to discuss our proposal and receive input from you how best to facilitate this goal. We invite you to contact the office for further details.

OKANAGAN HISTORICAL SOCIETY PROJECT: HISTORICAL WALKING TOUR BROCHURE

In 2016 the Okanagan Historical Society- Salmon Arm Branch in partnership with the Salmon Arm Museum and Heritage Association - Salmon Arm Branch received a \$2,060 grant from SCF to design and print a new brochure for the Historical Walking Tour of Salmon Arm,

This grant was made possible by the Lloyd and Dorothy Askew Family Endowment and SCF Community Funds.

Royal Canadian Air Cadet 222 Shuswap Squadron

In 1941, the Royal Canadian Air Cadets (RCAC) was chartered, with one of its main purposes to “train up” Canadian youth to replace air crews overseas when they became old enough to join the Royal Canadian Air Force (RCAF) at age 18.

Girls were officially allowed to join in 1975. RCAC 222 Shuswap Squadron, formed in November 1993 through the hard work of Don and Maye Cann, Barry and Rhonda Henry, and Jim Hall, derived its name from the ‘Royal Air Force (RAF) 222 (Natal) Squadron’, created in April 1918. Shuswap Squadron was granted its own crest, which incorporates the Spitfires flown by the RAF 222 Squadron, and their motto, “Pambili Bo”, a Zulu phrase meaning “go straight ahead”, in 2007.

The main objectives of the program are to promote good citizenship, leadership and physical fitness, and to stimulate an interest in aviation. Funding is a partnership between the Department of National Defense (DND) and the local Sponsoring Committee.

Cadets who participate in the program learn valuable skills in the areas of leadership, teamwork and citizenship which will serve them well for the rest of their lives. They can also earn up to 12 high school credits for advanced training. Most importantly, they form life-long friendships.

The Squadron is able to offer these opportunities to the youth of the Shuswap/North Okanagan at no charge due to the dedication and fundraising efforts of parents and cadets as well as the generosity of many organizations in the Shuswap, including Shuswap Community Foundation, and numerous individuals who have donated both time and money to help make the program successful.

The decision to create the Royal Canadian Air Cadet 222 Shuswap Squadron Endowment Fund was taken in order to achieve two ends: to provide a vehicle whereby the Squadron’s J. B. Millar Flying Scholarship can grow to cover the costs required for power pilot cadets to maintain their private pilot’s licence for the first year, and to provide a stable source of funding for the basic program so it can continue to be offered at no charge, as well as optional activities not covered by DND for youth in the Shuswap.

Tom Pugh Memorial Endowment

“Tornado Tom” taught his mom and dad how to parent. He was too smart for his own good; witty, acerbic, funny, and lots of fun, they would tease him about using his genius for good, not evil. Tom had great friends; their home was where all his buddies would congregate. One of Tom’s school buddies remembers ‘always having a blast stirring up trouble downstairs at your house.’

Dawn Dunlop and Mark Pugh, along with six year old Tommy, and five year old Jack left Manitoba in 2001, settling in Salmon Arm, where Tom finished Grade one. Mitch came along in 2003 to complete the family.

An enterprising young man with a strong, ‘prairie farm’ work ethic, Tom got his first job when he was 13, working at the Salmar Theatre. One summer he actually had four jobs! After graduating from SAS in 2013, he headed off to the oil patch, only 17 years old. He wasn’t afraid of hard work.

Although not a ‘natural’ athlete, Tom was involved in various sports during his school years. His coaches enjoyed his energy and his big personality. However, his passion was downhill skiing. He loved skiing powder at Revelstoke.

An undiagnosed condition caused Tom to have a fatal heart attack in his sleep on September 11, 2014. His family feels blessed for the 19 years they had with him.

“Instead of asking why they left, now I ask, what beauty will I create in the space they no longer occupy?” ~ Rudy Francisco

Tom is gone, but he will never be forgotten. The family has established the Tom Pugh Memorial Endowment Fund with Shuswap Community Foundation in honour of Tom’s love of his family, friends and all things Shuswap. As the fund has now reached \$10,000, interest earned will be disbursed annually to qualified charitable organizations operating in the Shuswap area, to fund projects intended to protect or improve the natural landscape or to otherwise address environmental issues, as well as programs which promote community recreation.

Donations to this Fund are welcome any time.

SHUSWAP LIFEBOAT SOCIETY -
PROJECT: KIDS DON'T FLOAT
PROGRAM

SCF recently granted \$2,336 from our Community Fund to Shuswap Lifeboat Society to aid in the installation of a Kids Don't Float kiosk at Shuswap Lake Provincial Park. This site has particular interest province-wide as BC Parks Ministry in Victoria have become interested in this program since it does not exist in any other provincial park. Once this kiosk is installed, BC Parks would like to consider it a model for other provincial parks.

The Kids Don't Float Program was initially developed in 1996 by a group in Homer, Alaska as a response to Alaska's high rate of drowning. The program was piloted in Homer and then adapted for statewide use.

ARTS COUNCIL FOR THE SOUTH SHUSWAP

PROJECT: 2016 CHILDREN'S THEATRE PRODUCTION & FESTIVAL

In 2015, the Arts Council for the South Shuswap received a grant of \$3,600 to revitalize the Shuswap Festival of the Arts, a four day festival inclusive of all art forms. This grant also aided in the creation of a series of extensive visual arts, dance and theatre camps for youth. These camps ran this past summer and were enjoyed by residents of the Shuswap as well as tourists visiting the area. This grant was made possible by the SCF Community Fund.

Al Neale, SCF Fund holder

A quote from Al Neale's speech at the Okanagan Colleges Award Ceremony

"I'm reminded of the bricklayers helper who bragged to his buddies about the great job he had. "All I do is just keep bringing more bricks and mortar to the brick-layer, and he does all the work!" Similarly the Shuswap Community Foundation The Okanagan college and Lynda Wilson nurtured the Al Neale Bursary through its infancy and early years while the Shuswap Community Foundation took care of all the legal proceedings, Deed of gift, all the paperwork, managing, accounting, investing, compiling an annual reports, you name it. Without them, none of this would have happened.

Just like the bricklayers - they did all the work!"

-Al Neale
