SMALL THINGS CAN HAVE A BIG IMPACT

Neighbourhood Small Grants (NSG's) are a collaboration between the Vancouver Foundation, Shuswap Community Foundation and the Canadian Mental Health Association to focus on communities coming together in healthy and active ways. Foundational to the NSG Program is an acknowledgement that community members are best positioned to know what is needed to enhance quality of life for their families, friends and neighbourhoods. Shuswap Community Foundation and our partners will offer NSG funding up to \$350 to support locally led events, programs and activities in the Shuswap.

A key objective of the NSG program is to help eliminate some of the barriers in event hosting. NSG events can be as small or big as you like and, are available all year round.

How to Apply

Applications are accepted anytime but, funding is released three times a year.

- Funding for Summer events is released in March
- Funding for Fall events is released in June
- Funding for Winter events is released in November

Please note that there is a limited amount of funding available.
