## SMALL THINGS CAN HAVE A BIG IMPACT

The **Responsive Neighbourhood Small Grants (R-NSG)** is a new grant stream created to support small scale community projects from across the province that comply to the new social/physical distancing guidelines in response to the COVID-19 global pandemic. The purpose of R-NSG is to support creative projects by individuals that

- build community strength and resilience,
- foster community creativity and well being, and
- alleviate social isolation.

Our grants range from \$50 to \$350. A grant is money we give you to help you bring your project to life. You must apply for the grant, but you do not need to pay the money back.
